### *Generation No. 1*

1. PATRICK<sup>1</sup> REED was born Abt. 1745 in prob. Scotland, and died Aft. 1788 in VA or OH. He married MARGARET UNKNOWN Abt. 1769 in prob. Ireland. She was born Abt. 1745, and died Aft. 1788.

#### Notes for PATRICK REED:

Patrick and his wife Margaret were married, probably in Ireland, about 1769 when Patrick was 25 years of age. Nothing is known about his ancestors, except that they were probably Scottish. After being forced to leave Scotland, he sought asylum in County Down, Northern Ireland. Patrick went to Virginia well after the heavy migration of Scotch-Irish immigrants from Pennsylvania that began with Bordon's Grant in 1737 into Augusta County, which officially became a county in 1738. The area was originally part of Orange Co, VA, and Rockbridge Co was formed from Augusta Co. in 1778. Augusta County was settled primarily by Scotch-Irish Presbyterians, and county records began in 1745. Patrick was not among the original group of men who received land grants (source: [www.rootsweb.com/~vaugust/augusta2.html](http://www.rootsweb.com/~vaugust/augusta2.html)). Since Downey is thought to have been born in Ireland, Patrick probably arrived in American between 1771 and 1777. He may have lived in Pennsylvania for a time before moving on to Virginia. It is not known if he served in the militia during the Revolutionary War. While there were no battles in Rockbridge, the county did raise 4 companies of minute men (see McAllister's Data on the Virginia Militia in the Revolutionary War). This may be the Patrick Read who was on a list of Tithables in 1778, with two in the home. He was listed as a taxpayer in 1782, being taxed for one horse, and at that time he was the only tithable in the household (source: Morton, Oren F., 1920, A History of Rockbridge County, Virginia, Staunton, VA: The McClure Co). Finally, a Patrick Reid was on the 1783 Personal Property Tax list for Rockbridge County with 3 horses and 5 cows. It is possible that Patrick went to Ohio with his sons and several other families in Rockbridge Co in about 1805, but this has not been proven. Linda Sacks believes that Patrick Sr. went to Ohio after he and Downey sold their land in 1804. He may have died in Rockbridge County prior to 1805. If so, I speculate that he is buried in Old Monmouth Presbyterian Church Cemetery, located off Rt. 60 at Whistle Creek, since his son, Downey, was part of that congregation in 1798.

#### Children of PATRICK REED and MARGARET UNKNOWN are:

2. i. PATRICK<sup>2</sup> REED, JR., b. Abt. 1760, Ireland?; d. April 10, 1815, Raccoon Twp, Gallia Co, OH.
3. ii. DOWNEY REED, b. September 15, 1770, County Down, Ireland; d. January 07, 1830, Clinton Twp, Jackson Co (now Vinton), OH.

### *Generation No. 2*

2. PATRICK<sup>2</sup> REED, JR. (*PATRICK*<sup>1</sup>) was born Abt. 1760 in Ireland?, and died April 10, 1815 in Raccoon Twp, Gallia Co, OH. He married (1) BECKY BOYLES Abt. 1782 in Rockbridge Co, VA, daughter of CHARLES BOYLES and REBECCA. She was born Abt. 1760 in Northern Ireland, and died Bef. 1804. He married (2) MARY BOYLES April 03, 1788 in Botetourt Co, VA<sup>1</sup>, daughter of CHARLES BOYLES and REBECCA. She was born Abt. 1762 in Virginia, and died Aft. August 1850 in Gallia Co, OH.

Notes for PATRICK REED, JR.:

I'm showing Patrick as the son of Patrick and Margaret Reed, but proof is needed.

It's possible that this Patrick lived in VA with other members of the Reed family. If so, he likely moved to Ohio with the other families who left about that time. Patrick purchased, in 1780, 118 acres of land in Back Creek, VA (now Berkeley Co, WV). Patrick returned to Rockbridge Co, VA in 1804 to sell land and settle Rebecca Boyle's estate. At one point he lived in Racoon Twp, Gallia Co, OH. His will was written May 31, 1814 in Ohio. Witnesses on his will were Samuel R. Holcomb and David Boggs. Executors were his wife Mary and son, James. Inventory of his estate was taken June 02, 1815; his estate was valued at \$119.20.

Notes for MARY BOYLES:

**3.** DOWNEY<sup>2</sup> REED (*PATRICK*<sup>1</sup>) was born September 15, 1770 in County Down, Ireland<sup>2</sup>, and died January 07, 1830 in Clinton Twp, Jackson Co (now Vinton), OH. He married (1) AILSE "ELSEY" DEHART September 02, 1788 in Rockbridge Co, VA by William Graham, Presbyterian minister<sup>3,4</sup>, daughter of SIMON DEHART and HANNAH. She was born September 15, 1767 in VA? probably Botetourt County, and died September 30, 1823 in Clinton Twp, Jackson Co (now Vinton), OH. He married (2) ESTHER Abt. 1824 in Ohio. She was born Abt. 1790.

Notes for DOWNEY REED:

According to his grandson, A.D. Reed (newspaper interview), after Downey came to America in 1780 as a boy of 8 years, he settled with his parents in Virginia near the Natural Bridge (Whistle Creek) in Rockbridge Co, which was formed in 1778. According to a genealogy written by Mary F. Reed (located in Wescott Memorial Library, McArthur, OH), the family settled among many relatives. Downey should be on the tax lists after 1786 since they listed everyone over age 16 - but he is not listed. The marriage bond between Downey and Ailse was signed on August 29, 1788 in Rockbridge Co, VA. His marriage bond in 1788 was signed by his parents, Patrick Reed and Margaret, indicating that he was under age 21 - his name was given as Downey Reid and his wife was Ailse Dihart. Witnesses were John Smiley and Daniel Eysr. In 1798, he was one of several subscribers who agreed to pay the salary of Rev. George A. Baxter for 1/2 of his time to the Monmouth Presbyterian Church. The original structure was located in the area known as the "Fork of the James" River (now Maury) and consisted of a Pole Building erected about 1748 on Woods Creek. "This was replaced by a building of hewn timber on Whistle Creek in 1767 and was called Hall's Meeting House" (Rockbridge Co, Virginia Cemeteries, Kerrs Creek District), about 2 miles west of Lexington, VA. Rev. Baxter accepted the call on 1 May 1799, and agreed to serve both Monmouth and the Lexington Congregation (source: Proceedings of the Rockbridge Historical Society, Vol. III, Lexington, VA: Edwards Brothers, Inc, 1949, p. 42). On Whistle Creek, Downey Reed was a miller. In a manuscript compiled by Ruth Winters Odell, she claims that Downey was married first to Ailse Dihart, and 2nd to to her sister Elsey DeHart. While some believe that these two are really the same person, this has not been proved and we may never know for sure.

After Downey sold his land in 1804, he left Virginia and travelled to West Virginia, where Ruth Winters Odell (1981) claimed he stayed for several years. Amos Reed even claimed that his father Patrick was born in Greenbrier Co, West Virginia. From West Virginia, the traveling party probably took the road down

New River to Kanawha. The road to Point Pleasant was well-used that that time. They passed the Kanawha Valley, crossing the Ohio at a ferry over to the Indian Path, which was by then a well-used road, now Ohio State 35. Early pioneers reported that the road was badly in need of repair, and that it was better to walk than to ride in a wagon. Most pioneers rode horseback and had a packtrain. The town of Jackson, OH was thriving by the early 1800s and was the usual stopping place to locate land. Downey probably followed the old Buffalo and Indian trail north from the Salt Licks at Jackson. "There were plenty of streams all along this route and the path was clear of brush and trees, having been in constant use by animals and red men until it was a popular route to the Salt Works at Jackson." They arrived at Little Raccoon Creek where Downey found enough water and the lay of the land gave him the site for a grist mill" (manuscript by Mary F. Reed at Wescott Memorial Library). Downey moved to Ohio with several other families, probably to Gallia Co. where he is listed on an 1812 tax list for Addison Twp. One of the other families may be Samuel McCluer, who left Rockbridge Co. for Ross Co. Ohio (source: "The Official Rockbridge Co. Pioneers Page!"). Another family was William Harper and Nancy Faris, whose daughter Mary married William Reed (1777 - 1829). Downey of Clinton Twp paid taxes of \$29.60 in 1817.

Downey built a dam on the banks of the Little Raccoon Creek, to create enough water power to use on the first grist mill in Vinton Co. That mill operated for over 40 years, serving to ground meal and flour; a saw mill was also established to help people build their houses.

1820 census, p. 124, Clinton Twp, Jackson Co [now Vinton], Ohio along with William and Acklin Reed, his sons.

Downey is prominently mentioned in a history of Vinton County, OH as one of the first settlers, and the Post Office was known for 40 years as Reed's Mill (Biggs, 1950). Downey built a two-story hewn log house on the banks of the Little Raccoon Creek, half way between the current villages of Hamden and Dundas in Clinton Twp, Vinton Co, OH. At first the house was home for Downey's family and his son Acklin's family. "It had large fireplaces at both ends - one for cooking and one for heating the house. Amos Reed told that this log house was dressed up by adding weatherboards cut at Reed's Mill. It was located on the north side of the Little Raccoon Creek, and was a pretty place with flowers and vines around the long porch. Fruit trees and currant bushes grew along the fence which kept the livestock out of the yard" (source: manuscript by Mary F. Reed at Wescott Memorial Library).

In his will, written January 02, 1830, Downey left one dollar to each of his children who were named: "William, my eldest son and Aclin Reed and Peggy Brown and Patrick Reed and Hannah Reed and John Reed and Hugh D. Reed each of the above named heirs, I do will one dollar each." The will goes on to leave his lands to his youngest child Alsy Reed, all excepting my wife Esther. He specified that if Alsy should die without an heir, the lands should then be given to his youngest son, Dehart Reed. Witnesses were Allish Harrison, B. Leach, and Thomas Elder. His surname on the will is spelled "Read." The will was recorded on March 27, 1830 (source: Will Book A, Jackson County, Ohio, p. 8).

Downey and Elsey Reed are buried in Bethel Church cemetery, located about halfway between the villages of Hamden and Dundas, on the west side of route 93 (Visited by M.L. Veal in 2005). There are several other Reeds buried in the family plot, which is located near the bank of the Little Raccoon Creek. The writing on the headstones actually face the creek and most are constructed with "heads" at the top that seem to be looking forever at the waters. A picture of the 117 year old Bethel Church appeared in the Wellston Telegram on 15 Aug 1947. A grove of oak trees surrounded the church and graveyard within the 13 acres originally given by Downey Reed and his children. A.D. Reed claimed to have seen the square of brown paper that was the original deed, but the paper disappeared after the church burned. "The first church was made of hewn logs cut from the forest and dedicated in 1830. This was a long, low building with the door in the middle of the long side. The benches were split poplar puncheons with no backs. A new church was built and the old logs used for firewood. The new church burned in 1865 and another church was built of bricks" (manuscript by Mary F. Reed at Wescott Memorial Library, Vinton Co, OH).

Notes for AILSE "ELSEY" DEHART:

Ailse's marriage bond was signed by her step-father, William Owley and her mother, Hannah. In Virginia, 21 was the legal age so Ailse needed her parents' permission to marry. The bond was witnessed by David Owley, John Carpenter, and Fanny (?) McGlawhelon (?). Downey's surety was Daniel Eysr (?).

Children of DOWNEY REED and AILSE DEHART are:

After living in his father's house for a time, Acklin built for his family a small, story and a half log cabin just north of the mill.

He married ELIZABETH YOTTER Abt. 1821 in Ohio, daughter of BENJAMIN YOTTER and MARIA LEIST. She was born June 01, 1802 in PA probably Northumberland Co, and died August 07, 1880 in Flora, Clay Co, IL, buried in Elmwood Cemetery, Flora, IL.

Notes for PATRICK REED:

A.D. Reed wrote that his father was born in Greenbrier Co, WV, as the family was moving west. Others believe Patrick grew up in Virginia, and later came to southeastern Ohio where he bought 160 acres a half-mile north of the present village of Hamden, just south of Downey Reed's property. In about 1800 he was living in Rockbridge Co, VA. Patrick was listed on the 1806 tax list in Gallia Co, OH.

A.D. Reed wrote in a letter published in the Wellston Telegram in 1936 that his father went to Ohio in 1818, and that he lived for a time on a farm outside of Wilkesville, Vinton Co, OH. At that time the county was sparsely settled, and Chillicothe was a two-day trip to the west on the Scioto River where banking was done. His first home there was a 2 story hewn log house and a one-story kitchen with a large porch on two sides, and weatherboards on the sides. He built a mill on the bank of the Little Raccoon creek, near the present iron bridge. The mill operated for 40 years. The post office, known as Reed's Mill, continued until enough families lived in Hamden to move the post office there. Until the railroads came, the weekly mail was carried by the postboy from Jackson and Athens " (source: The Wellston Telegram, Wellston, Ohio).

1850 census, Clinton Twp, Vinton Co, OH: Patrick (51) and Elizabeth (46) Reed with children Henry (22), Rachel (17), Emma (16), Electa A. (14), Mary E. (12), John (8), Amos (4) and Enos (4).

1860 census, Clinton, Vinton Co, OH: Patrick Reed (62), Elizabeth (58), Emily (26), Mary E. (22), John P. (17), Enos E. (15), and Amos D. (15). They lived next door to daughter, Catherine (30), her husband Thomas Hayward, and their 3 children plus Lizzie Howard (1 month).

1870 census, Clinton, Vinton Co, OH: Elizabeth Reed (63) lived with her son Enos (24) and family.

1880 census, Flora, Clay Co, IL: Elizabeth Reed (78) lived with her son Amos D. Reed (34) and family.

In about 1852, Patrick erected a big, rectangular brick mansion between Hamden and Dundas, at Reed's Mill on Little Raccoon Creek. The house had 8 large rooms with a wide hall from front to back downstairs, with a fine wide stairway in the middle. It was demolished 100 years later, in 1957, to make way for a new

route 93 which was being straightened out between McArthur and Hamden. A picture of the half demolished house appeared in the Wellston Telegram, along with an article written by John Sylvester, editor, about the people who lived in it. According to a letter from A.D. Reed to Mary F. Reed, Amos and Enos "hauled those brick from the kiln to the building site on a sled [called stone boats] pulled by the oxen belonging to the boys. The old log house in which they were born had been torn down some time after the new brick mansion was built." Patrick is buried in Yeager Old Cemetery (now Tripp Cem), Hamden, Vinton Co, Ohio (source: Cole, Frank T. Copier, 29 Mar 1904, Ohio Cemetery Records, Extracted from the "Old Northwest" Genealogical Quarterly). Five of his daughters are buried in the same cemetery (Harriett, Maria Jane, Emma, Electra, and Lomelia). The cemetery is now on private property and is not maintained (per Bob Reed, e-mail 4 Sept 2003). In the family history of 1981, it was stated that his stone was broken and was on the ground. It was of white and black veined marble and was 2 inches thick, 28" tall and 24" wide, set originally in a white marble base.

Notes for ELIZABETH YOTTER:

Elizabeth was born in PA after the death of her father. When she was 3-5 years of age, her mother moved to Pickaway County, OH. She was raised and educated by her mother and step-father, and could read both English and German. Her son, A.D. Reed, claimed that her parents came to America from Germany in steerage, and he called her a "little Dutch girl." In that time period, Germans were often called "Deutch." However, it seems almost certain that her grandparents were the ones who immigrated to America. A.D. Reed said she had worked in Philadelphia as a kitchen girl to pay her passage; I believe her mother may have worked in Philadelphia County, PA before marriage. In about 1871, she went to Flora, Illinois with her son Ene and his wife Martha. This was where her daughter Catherine was living.

During a visit to Crittenden Co. KY in June 2006, Mary Lou searched for a death record on Henry Reed, but found nothing. He was not listed in the Crittenden County Death Records book at the Crittenden County Library.

Crittenden Co. was formed 1 Apr 1842. In the 1840s Marion was an industrial town with a flurspar mine. Andrew Jackson owned land here and set up the first iron furnace.

When I visited the cemetery in June 2006, it was in terrible condition, with more than half of the stones broken or on the ground. There are many stones that have now been buried. We were told at the Marion Library that the cemetery had been vandalized many times.

**40.** AARON WATSON<sup>4</sup> REED (*PATRICK*<sup>3</sup>, *DOWNEY*<sup>2</sup>, *PATRICK*<sup>1</sup>) was born June 12, 1828 in Hamden, Vinton Co, Ohio, and died June 08, 1891 in Leanna, Neosho Co, KS<sup>53</sup>. He married MARY BAILEY PATTERSON October 19, 1856 in Hamden, Vinton Co, Ohio by Rev. D.H. Cherrington<sup>54</sup>, daughter of ANSEL PATTERSON and EUNICE CORY. She was born September 07, 1835 in Portage Co, Ohio, and died March 02, 1912 in Savonburg, Allen Co, KS near Iola at the home of O.D. Courtney.

Notes for AARON WATSON REED:

Aaron grew up with his parents in Ohio, near Mentor, part of the Western Reserve, about 25 miles NE of Cleveland in "Lake Country." There he joined the Christian Church. "He was immersed by the lamented James A. Garfield" (source: Newspaper Obituary). Garfield had attended seminary and Hiram College, and he preached the Disciples of Christ doctrine, mainly in Hiram, OH. At age 20, Aaron was living with his family in Clinton Twp, Vinton Co, OH and his future wife was also in Clinton at that time. Did they attend the same church? Aaron and Mary Bailey Patterson were married in 1856 by an M.E. minister named Cherrington, who was on the Hamden circuit from 1856 to 1858. After marriage, they moved to Marion, Crittenden Co. (formed 1842) Kentucky, along with his brother Henry. In Kentucky Aaron acquired 960 acres of land on Penny Creek from D.A. and Matilda Butler on 12 May 1856 for \$1504 to be paid in three installments, starting with \$304 in cash (source: Crittenden Co. KY Courthouse, Book D., p. 473). This date shows that Aaron made the trip to KY to buy land before he married. Aaron and Mary sold land to Henry Reed on 24 Jan 1857. Aaron and Mary B. Reed sold 300+ acres of land to H.S. Reed on 19 Sept 1857 for \$752 (Book D. p. 630). These are the only two land records for A.W. Reed, although I did find his name mentioned in Deed Book M, p. 189, showing that land was owned jointly by John P. Reed, Aaron Reed and his wife Mary B. Reed, and Amos Reed. Aaron was in Kentucky throughout the Civil War, and is listed as a member of the KY Militia, reorganized 5 Mar 1860 "for the use and defense of the state." Militia members were mainly Union men, but KY was technically a "neutral" state (source: 1865 Crittenden Co, KY Militia List).

After Henry died in 1868, John and Amos D. bought the widow's interest in the land. Thus the three brothers had their finances in common until Amos was married. In 1870, John and Amos bought Aaron's interest in the land, according to Amos' account. However, I could not find a land record for this sale which should have been in 1869. Aaron moved his family from KY to Neosho County, Kansas in 1870, settling on the Osage ceded land. He was a resident of Big Creek Twp for 21 years, and lived next door to the Allen Haymaker family. Living nearby was the Richardson family; their son Henry married Alice Reed. A.W. Reed's will was dated and was written in Big Creek Township, Neosho Co, KS. The will was probated June 22, 1891 with M.A. Richardson as Executor. Aaron and Mary are buried in Leanna Cemetery, Leanna, Neosho Co, KS.

1860 census, District 1, Crittenden Co, KY: Household included A.W. Reed (31), Mary B. Reed (25), and Alice C. Reed (2).

1870 census, Big Creek Twp, Neosho Co, KS: Aaron W. Reed (40), Mary (34), Alice C. (13), Carrie (9), Patrick (7), Ida M. (3), Flora.

1880 census, Big Creek Twp, Neosho Co, KS: A.W. Reed (51), Mary B. (48), Alice (22), teaching, Carrie (19), P.H. (17), Ida (13), Flora Estella (11).

Notes for MARY BAILEY PATTERSON:

Mary and her sister, Sophrona, were listed on the 1850 census for Clinton Twp, Vinton Co, Ohio in 1850 along with their mother, step-father, and siblings. Her obituary states, "21 years ago her beloved companion was taken home, since which time she has been lovingly cared for by her surviving children. In early life she became a Christian and was ever firm in that live and faith of her Savior. Almost 9 years ago she met with an accident which resulted in her hip being broken, since which time she has been confined to the home. Coming to Savonburg the first of last November to spend the winter months with her daughter, Mrs. Flora Courtney, she was taken ill of senile gangrene the latter part of December, passing to her eternal rest March 2, 1912, after nine long weeks of untol suffering during which her patient, loving nature was ever in evidence." Brief funeral services were held and a quartette beautifully sang "Lead Kindly Light," a song Mary had expressed a desire to hear shortly before she was taken ill. Mr. and Mrs. Courtney sang it for her, and she expressed her appreciation of the beautiful words. Rev. Blalock, or Moran, conducted the final funeral services after which she was laid to rest by the side of her husband.

John fought in the Civil War, 114th Regiment under Cap. Lafe Hawk, and was captured by the Confederates. A.D. Reed wrote that he was in many battles and served in the 44th Ohio Infantry, which was made up of men from Vinton and Jackson counties. He was nearly sent to Libby prison, but was fortunate to be paroled at Little Rock, Arkansas. In 1867, he moved to Kentucky and by 1872, John owned 3700 acres of land in Kentucky. It was paid for and well stocked, according to Amos Reed's narrative about the family. John was a dealer in live stock and he had 8 children at Shady Grove. One of his sons became an oil magnate in Texas while the others lived in Kentucky. In Sept 1884, J. P. Reed purchased a farm in Fredona, KY.

Mary Lou visited the Crittenden County, KY Library on 24 June 2006 and found several paragraphs on John P. Reed in the following book:

Walker, Odell (2002). In Lyon County, Saturday was Town Day: A Collection of Writings from Lyon County's Historian. Kuttawa, KY: Lyon County Historical Society.

"The following story centers on an area in northwest Lyon County. Mr. John Reed owned several hundred acres of land on the Cumberland River above the point where Livingston Creek runs into the river. The farm included a lot of Livingston Creek bottomland for two or three miles up the creek on the south side. Many sharecroppers both white and black worked on Mr. Reed's farm. ... There were enough black families in the area to support a church and school. A black church was constructed on Mr. Reed's farm. The building was located on top of a hill about three hundred yards north of White Oak Spring and overlooking Livingston Creek. The church building also served as a schoolhouse for black children" (p. 155).

"John P. Reed owned a large plantation farm of several hundred acres in the northeast corner of Lyon County. The farm was located on the Cumberland River south of the point where Livingston Creek runs into the Cumberland River. The majority of the farm consisted of the fertile land in the Cumberland River and Livingston Creek bottoms. It took a large labor force to carry on Mr. Reed's extensive farm operation. A large number of this labor force consisted of black people. There were a number of black sharecroppers that lived on the place and a larger number of laborers that worked by the day for wages. I have heard some of the older people who worked for Mr. Reed speak of corn rows along the Cumberland River that were a mile long (p. 219).

1870 (June 18) census, Marion, Crittenden Co, KY: John P. Reed (27), wife Susan B. (20), and son Homer E. (1). Amos Reed (25) lived with the family along with 6 other people: Saml Newkins (19), Mariah Newkins (16), Saml Dollar (18), Amanda Smith (35), Charlie Smith (15), and Ellen Smith (10). John was a farmer with property valued at \$2000 and \$2500.

John and Mattie are buried in Kuttawa Cemetery, Kuttawa, Lyon Co, KY. His grave was visited and photographed by Mary Lou on 25 June 2006 and it was in excellent condition. To locate the stone, drive into the Kuttawa Cemetery under the metal arch with the name on it, and the stone is about 10 yards ahead on the left, next to the roadway. She was born March 22, 1847 in Morgan Co, OH, and died July 22, 1934 in Harveyville, KS<sup>60</sup>.

Notes for AMOS DRIAH REED:

Amos, called A.D. went to Kentucky in 1869, two years after his brother John went there. AD reported in a newspaper interview when he was 91 that he went to Kentucky because of the glowing description of the state by his Aunt Mary. After marriage, he moved to Illinois to care for his aged mother. In an article he wrote late in life, he said he sold his interest in the land he had purchased in Kentucky to brother John, and arrived in Kansas the day before Christmas, 1872. There he bought land next to his brother Enos. However, he must have moved to KS later, since the 1880 census shows he was still in Illinois.

**71.** CARRIE EUNICE<sup>5</sup> REED (*AARON WATSON<sup>4</sup>, PATRICK<sup>3</sup>, DOWNEY<sup>2</sup>, PATRICK<sup>1</sup>*) was born June 13, 1860 in Crittenden Co, Kentucky near Marion, and died July 26, 1935 in Savonburg, Allen Co, Kansas, buried in Leanna Cemetery<sup>86</sup>. She married (1) C.FRANK HAYMAKER June 04, 1882 in Big Creek, Neosho Co, Kansas<sup>87</sup>, son of ALLEN HAYMAKER and ELIZA MEAD. He was born November 14, 1860 in Fairview Twp, Jones Co, Iowa, and died January 25, 1917 in Deming, Luna Co, New Mexico age 56. She married (2) FRANCIS "FRANK" LYNN Abt. 1911. He was born 1857 in PA?, and died October 28, 1929 in Thurston Co, WA at age 72.

Notes for CARRIE EUNICE REED:

In 1870, at the age of 10, Carrie Reed traveled with her parents and 4 siblings from Kentucky to a farm in Neosho Co, Kansas. The census shows that the Reed and Haymaker families lived one door down from each other in Leanna, KS. At the age of 21, she married her neighbor and schoolmate Frank Haymaker.

Nothing is known about their married lives except that they had 3 children. Carrie, Frank and the children were living in Pittsburg, Crawford Co, KS in 1900, and the census indicates that she was a "landlady." The copy of her Divorce Decree indicates that Frank deserted the family in 1906. By summer, 1907 Carrie was living in Los Angeles, CA with Harry, age 15. She took him back to Kansas in the fall, and began divorce procedures on 7 Oct 1907, through her attorney Chris Ritter, waiving a jury trial. Carrie appeared in court on 14 Dec 1907 for the trial. Frank did not appear, and the divorce was granted. Carrie retained custody of her minor son, Harry, and she retained title to her property of 82 acres of land. She was back in Los Angeles by 25 Feb 1908, when she sent him a post card from the Hotel Lankershim. Her eldest son, Roy, was already married and living in Los Angeles by the time she moved there, but he is never mentioned in the numerous post cards that Carrie sent to Harry. In July 1908, Carrie took the train to Salt Lake City, probably because she suffered from rheumatism and hoped the weather would help. She arrived on 8 July, and wrote to her son, "If I get better of this rheumatism I think I will like it here." The next week, she wrote, "The weather is nice here and I don't freeze like I did in L.A. so am in hopes my rheumatism will get better in time." In September, Carrie was feeling better and she wrote to Harry about a visit to the Mormon Tabernacle to hear the organ recital. She was very impressed with the building and remarked that it had been finished when she was 7 years old. Carrie seems to have remained in Salt Lake City until after Christmas, 1908. She returned in Oakland, CA on 19 Jan 1909. My mother believes that Carrie ran a rooming house in Oakland California, but I have not yet found evidence to prove that fact.

There is evidence in Harry's post card collection that Carrie, and probably her 2nd husband Frank Lynn, visited Kansas in 1910, perhaps on their honeymoon. She was in Coffeyville, KS on May 10 and she indicated her intention to be in Iola to visit Harry in a few days. Carrie was back in Oakland, California by 4 Nov 1910 when she sent him a post card chiding him for not yet writing. She signed many of her postcards with the words, "love and kisses, Mama." Her final post card from Oakland was dated 21 Feb 1912. By 1920, Carrie and Frank Lynn were living on 19th Street in Oakland, California (US Census 1920, T625, Roll 89, p. 102). Frank was listed as an insurance solicitor. Carrie sent two post cards to her son in 1921, and they indicate she was living in Alameda, California. After Frank died in 1929, he was cremated in Tacoma, WA. Carrie went back to Kansas to live with family members. She had 11 grandchildren. She died of a heart attack is buried in the family plot at Leanna Cemetery, Neosho Co, KS. The name on her tombstone is "Carrie Lynn."

#### Notes for C.FRANK HAYMAKER:

Frank moved with his family from Iowa to Kansas when he was about 9 years old. He married the daughter of Aaron W. Reed, who lived one house down from his family. They were probably classmates in school.

1880 census, Big Creek, Neosho Co, KS: Frank was 19 and listed as a Farmer.

On 13 August 1900, Frank Haymaker, Carrie Haymaker, F.L. Haymaker, and May Haymaker sold One Square Acre of land in Neosho Co, Kansas to Josiah (?) School District 79 for a sum of \$25.00. It is not known why they moved in about 1899 to Pittsburg, Crawford Co, KS.

1900 census, Pittsburg (Ward 4), Crawford Co, Kansas, at 4098 N. Broadway St. The index lists them as Hoyber: Frank, Carrie, and children Roy, Winnie and Harry (listed as Harland). Frank's occupation was Land Lord and Carrie's occupation was Land Lady. Since they didn't have borders, it's assumed they owned land or property.

Frank deserted his wife in 1906 (source: Divorce Decree), and eventually went to New Mexico where he raised horses. He lived in Cambray, New Mexico. His son Harry visited him once in New Mexico, according to Harry's daughter, but nothing is known of Frank's life after 1907. His burial was handled by J.A. Mahoney Funeral Home and Wheelers Mortuary. Information obtained by Gerald Reed in 1962 from the Deming, NM Chamber of Commerce shows burial in Mountain View Cemetery in Sunset Plot, Row 4, Lot 70. The online transcription of grave stones in Mountain View verifies his burial there.

He filed a homestead in Arvada, and built a one-room house, planning to farm and raise cattle. Due to the scarcity of water, they sold the land and moved to Moorcroft, where he worked for Bessie's sister Cora, and her husband Couden Brass. After a time, Claude moved to Wenatchee, Washington where he managed an orchard, but the bug spray made it impossible to work there. For a time, he worked as a night watchman at a sawmill, then moved on to Corvallis, Oregon where he ran a small farm that was owned by his sister's son-in-law.
